See Ruling 973, 4/7/67.

OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby <sup>deny</sup>~~grant~~ the same, subject to the following limitations and conditions:

on the grounds that the applicant does not own or control the land or the range rights required to place the water to beneficial use, and that granting the application would therefore be detrimental to the public welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before.

Proof of commencement of work shall be filed before.

Work must be prosecuted with reasonable diligence and be completed on or before.

Proof of completion of work shall be filed before.

Application of water to beneficial use shall be made on or before.

Proof of the application of water to beneficial use shall be filed on or before.

Map in support of proof of beneficial use shall be filed on or before.

Commencement of work filed.  
Completion of work filed.  
Proof of beneficial use filed.  
Cultural map filed.  
Certificate No. Issued.
